Cimma-Montgomery Bridal

Bridal Memoirs Photo

MRS. STEVEN J. MONTGOMERY
nee Susan Mary Cimma

Married recently in St. John the Evangelist Church were Miss Susan Mary Cimma, daughter of Mr. and Mrs. Elso M. Cimma of 42 Westford Circle, Agawam, and Steven John Montgomery, son of Mr. and Mrs. Nield A. Montgomery of 502 Meadow St., Agawam. Rev. Walter J. Joyce, pastor, officiated at the wedding ceremony which was followed by a reception at the Italian Sporting Club.

The bride wore a gown of silk organza with eyelet lace bodice. Her finger tip veil of English illusion was caught to a cap of silk roses and she carried a co-

lonial bouquet of daisies and roses.

Miss Kathleen Sullivan attended the bride as maid of honor. Bridesmaids were the Misses Carol Cimma, cousin of the bride, and Mary Kelley. The attendants were identically attired in gowns of moss green and white with matching hats and carried co-

Senior Citizens Plan Foliage Trip

The Agawam Senior Center is planning a bus trip during the October fall foliage period to Rindge, New Hampshire and the Cathedral in the Pines.

Lunch will be at the Old Mill Restaurant in Winchendon.

Senior citizens interested in taking the trip should contact the center in person, or phone 732-8451 for reservations.

Home Information Center To Start Fall Season Sept. 15

The Springfield Home Information Center at 150 Sumner Ave., will resume its schedule of classes after Sept. 15th. A large variety of classes in home craft are being offered to all ladies who live in the Springfield and suburban areas.

Our class in Canvas Embroidery, more commonly known as Needlepoint, offers the lady a variety of at least 10 new stitches in addition to the variations of the half cross stitch, which is the most commonly used. These stitches are most fascinating to both the beginner and advanced student in creating many new designs and producing many new effects with the shading and contrasting of colors.

The Crewel classes are designed to teach the beginner the fundamentals of crewel embroidery and also to enable the more ad-

Band Color Guard Majorettes To Be Selected Starting Monday

Each year on the first Monday afternoon of school a large number of girls from the junior class assemble in the gym for the Color Guard tryouts. Nine of them will be selected by a panel of faculty members to become the Color Guard alternates for the year, serving as understudy to a senior

color guard member during a year of training and drill.

In 1955 the Agawam High Band became one of the first school units to include an all-girl color guard and this group has continued to be one of the highlights of the band's marching activities. Girls picked at the beginning of their junior year become the color guard when they are seniors. As juniors they usually have a chance or two to march in some senior member's place at least once and very often make an appearance as banner carriers at special events. Any girl in the junior class is eligible with judging considering general appearance, bearing and rhythm in a regular marching stride.

Selection of band majorettes and featured twirlers will also be made that week. Any student trying out for these positions should pick up applications from the music office with baton twirling requirements with details of the tryout to be announced later.

Band Parents will organize for the year in the band room following the Elementary Instrumental Demonstration on Wednesday, Sept. 11. The Fall Candy Sale will take place on Sept. 29.

Holly's Dance Studio Opens Monday

Holly's Dance Studio will open on Monday, Sept. 9 at 377 Walnut St., Agawam, in shopping plaza. There will be classes in tap, ballet, toe, modern jazz, advanced, pre-school and private lessons. The studio will be operated by Miss Holly Lash of 43 Bennett St., Chicopee, Mass.

Miss Lash has taken dance lessons since she was three years old and at six years old she was majoring in tap, ballet and jazz. She has performed at numerous PTA's, Legion, Elk and hospital shows.

In 1966 at performing arts convention in New York City Holly received a certificate for outstanding performance. For the past three years she has attended the Dance Educators of Amer-

ica conventions of which she is a member. To fill in summers she took drama lessons. She is an assistant to her teacher Carol

HOLLY LASH

Barker and has her own students in tap and ballet at Chicopee Community Center.

Miss Lash is a graduate of Chicopee High School class '68. While in school she was a member of the Student Council, Advisory Council, Good Readers Club, on the staff of school paper and section co-editor of the yearbook.

Polish-American Club Activities

The Men's Club meeting will be held Sept. 11th, and the director's meeting is scheduled for Sept. 18th.

The next BIG BASH is the Chicken Barbecue Sept. 21. Servings will be from 5 to 7:30 p.m., dancing 8-12. Tickets are \$1.75 adults and children, \$1, and may be obtained from Danny Clark or at the club.

The Women's Auxiliary meeting will be on Sept. 9 at 8 prompt. Proceedings will take form of a workshop.

PTA Council Set Meeting Sept. 9

Mrs. Domenic DiDonato, president of the Agawam Council of Parent Teachers Association has called an important executive board meeting for Monday, Sept. 9th at 8 p.m., at the Junior High School.

Committee appointments and State Convention delegates will be announced at this meeting.

Officers and delegates from all elementary school units will discuss and act on important items affecting all Agawam Units for the year.

Instrumental Demonstration And Exhibits At AHS Sept. 11

The second annual Instrumental Demonstration by Professional musicians, and Instrument Exhibits by Springfield Music Dealers, will be presented free of charge in the Agawam High School Lobby and Auditorium, Wednesday evening, Sept. 11th at 7. This is open to all parents and their children who are planning to enroll in the Instrumental Program this year. Elemen-

tary lessons, are free of charge to all grade 4 and 5 pupils.

The Agawam High School Band under the direction of Darcy Davis will present a brief musical program. Following the demonstration of each instrument taught in the school program—trumpet, trombone, flute, drum, and clarinet—parents are encouraged to visit each music dealer's table and talk directly

Miss Diane Coffey To Compete In Model Of The Year Contest

DIANE COFFEY

Diane Coffey of Agawam was
selected a runner-up in the Model
of the Year contest at Natick
Mall Monday, Aug. 13. Diane is
the daughter of Mr. and Mrs. Ed-

mund Coffey of 47 South Florida
Dr., Agawam. She is a 1967 grad-
uate of Cathedral High School,
Springfield.

Diane was judged by Stewart
Cowley, owner of the Stewart
modeling Agency of New York
and U.S. agent for Twiggy and
Veruschka and originator of the
Model of the Year Contest. She
was selected from a group of 20
Massachusetts beauties. They
participated in a fashion show in
which Miss Coffey depicted the
sportswear look in a dramatic
serapi of orlon. With her slim
line slacks and ruffled neck shirt
one of the newest looks for fall,
she wore a dramatic hat.

Diane began her modeling car-
eer by attending Classic modeling
school, Springfield. From here
she became a photographer's
model for Jack Holowitz of
Springfield. Mr. Holowitz en-
tered her photographs in competi-
tion at the New England photo-
grapher's yearly competition and
won a first place. Also in 1968
her photograph was accepted for
exhibition at the Professional
Photographers of America in
Chicago. In March of 1968 her
portrait received the Best of
Show award at the Massachu-
setts Photographers convention.

Diane will now compete in the
Model of the Year contest as a
finalist. The winner will be cho-
sen during a 90-minute national
CBS television pageant, Sept. 14.
Grand Prize is a \$25,000 model-
ing contract with the Steward
Modeling Agency and an all ex-
pense paid trip to London.

Loyal Order Of Moose Agawam Lodge No. 1935

One of the challenges of a great civilization is the compassion and respect shown its elders. Too many of our senior citizens have been left behind by the progress they worked most of their lives to create. Too often the wisdom and experience of our senior citizens is lost or ignored. Many who are able and willing to work suffer the bitter rebuff of arbitrary and unjust job discrimination. In this busy and productive nation, the elderly are too frequently destined to lead empty, neglected lives. In retrospection we, of the Moose, redouble our pride in our very own MOOSEHAVEN.

Few homes in our country afford such an all-inclusive program of combined nursing care and medical supervision along with those highly important and essential non-medical personal services. The new Moosehaven Health Center which was opened in March this past year is 20 years ahead of its time in appointments and comfort. For many, MOOSEHAVEN is "where life begins again" . . . where "happiness is a habit" and "security is the password." And to all Moose members goes a big "thank you" for all they have done for these splendid senior citizens of our membership who have been entrusted to our care.

MOOSE PEOPLE

On Aug. 25th, Mr. and Mrs. Robert Groux became the proud

parents of a baby girl. Their new addition has an older brother named Ronnie. They make their home at Chicomansett Village in Willimansett.

On Aug. 30 Mrs. Sadie Fagnant, wife of Armand Fagnant was laid to rest. She had been very active with the Ladies of the Moose Unit of Chicopee.

Deepest sympathy to the family of Jr. Gov. Samuel Altomare of the Chicopee Falls Lodge #1849, who passed away on Aug. 31. Several Moose members from Agawam represented Lodge #1935.

Happy Birthday to Barbara

on Sept. 7th, and many, many more. She is the wife of Secty. William Mitchell.

WORD FROM THE GOV.

Don't forget meeting nights on Tuesdays at 8:30 p.m. at the Squires upstairs. (Look for a time change in Oct.) Don't forget "Enrollment Night" on Sept. 12th at Westfield Lodge.

There will be a "Western Jam-boree" at Westfield Lodge on Sept. 7 — attend your neighboring Lodge affairs and they will attend ours. Dress to fit the occasion.

Keep Oct. 5th open as Agawam Lodge is having an affair that will be bigger and better than the last at St. Theresa's. Remember the wonderful food? Did you know that a man eating alone is the saddest thing known?

On Sunday, Aug. 18, the Misses Corleen Guilmette, Regina Peretti, and Denise A. Hawkins of Agawam, arrived at the University of New Hampshire, Durham, N. H., to spend a week participating in the first annual Student Leadership Conference, sponsored by the New England School Library Association.

This Conference was a part of the year-long observance of NESLA's 50th anniversary, and

has had as its Director, Mr. Roy D. Miller, Chief of the History Division of the Brooklyn Public Library. Its theme was "Focus on Leadership", and was designed to offer high school students to explore the many facets of library work and to become familiar with related professions.

158 students from 12 states, including Washington, attended this most interesting and profitable Leadership Conference workshop. This state had 55 delegates. All students returned home on Saturday, Aug. 24.

Children need a GOOD BREAKFAST for efficient work during the morning session, and a GOOD LUNCH for the afternoon sessions of school.

Eating with other children very often encourages a child to taste and eat foods he may "think" he doesn't care for. SCHOOL LUNCH provides this opportunity for learning to eat all foods.

Each of the following lunches can be purchased for 25 cents. This low price is made possible through financial assistance from the State and Federal School Lunch Programs. Additional 1/2 pints of milk may be purchased for 4 cents.

Lassie Aids Cleanup

Would you help Lassie to keep America clean?

The lovely, shaggy-haired collie who has delighted both children and adults over the years has recently been "recruited" by the United States Department of Agriculture's Forest Service.

Lassie will be pictured on litter bags which will be distributed throughout the 20-state Eastern Forest Region, pleading with forest visitors to "Help Lassie Keep America Beautiful." The litter containers will be distributed for use primarily in undeveloped forest areas where normal trash-collection facilities are neither available nor desirable.

Rare Books On Ice

Copenhagen

Danish book experts are keeping several hundred rare volumes in cold storage, encased in blocks of ice.

The books became drenched during fighting of a library fire in Godthaab, Greenland, last February and later froze. The experts plan to thaw them slowly and restore them.

Citizenship Day

"The good citizen is the man who, whatever his wealth or his poverty, strives manfully to do his duty to himself, to his family, to his neighbor, to the State; who is incapable of the baseness which manifests itself either in arrogance or in envy, but who while demanding justice for himself is no less scrupulous to do justice to others," said President Theodore Roosevelt.

President Dwight D. Eisenhower put it in another way: "Patriotism means equipped forces and a prepared citizenry. Moral stamina means more energy and more productivity, on the farm and in the factory. Love of liberty means the guarding of every resource that makes freedom possible—from the sanctity of our families and the wealth of our soil to the genius of our scientists. And so each citizen plays an indispensable role."

The advice Andrew Johnson gave in 1866 holds true today: "The time has come to take the Constitution down, to unroll it, to reread it, and to understand its provisions thoroughly."

And one way in which every American adult can publicly demonstrate his citizenship is to register and vote in the November election! This is the fundamental test of a good citizen.

Fall inspection period began on Sept. 1, and nearly 2½ million vehicles must be inspected during the six-week period which ends on Oct. 15. (Approximately 69,500 vehicles per day if started on Sept. 1). Registry officers

have approved 3500 official inspection stations throughout the state, but drivers would be wise to present their motor vehicles early in the period and to allow considerable time for the check-up so that adjusters can do their work in accordance with instructions.

"Motor vehicles successfully passing the Fall inspection will have a red sticker printed in black placed on their windshields; those not passing will have a round rejection sticker—white with a red band—placed on their windshields. The rejection sticker cannot be removed until the necessary repairs have been made, and after Oct. 15, they will not be allowed on the highways," the Registrar said. McLaughlin reminds drivers that the compulsory law also in-

cludes trucks, trailers, motorcycles, motorscooters, motorbikes, school buses, and vehicles with farm, dealer, repair, and owner-repair plates.

Items to be checked include: brakes, headlamps, tail lamps (and rear plate light), stop lights, number plates (no plastic or other coverings allowed), horn, tires, rear windows (no clouding on convertibles), steering gear and ball joints, marker lights on commercial vehicles, muffler and exhaust system, bumpers, fenders, and external sheet metal, windshield and windshield wipers, safety chains on trailers, and front and rear floor boards. "There's a tough winter shaping up—you'll be glad your car is in safe condition to meet it."

ROUGH... BUT TASTY

The rough fish problem is a lot like the weather — everyone talks about it, but no action.

Unlike the weather, though, this is one problem that can be solved by eating it up if enough fishermen would let out their belts and overcome their repugnance towards the rough species.

The table qualities of many rough fish surprise even the most finicky eater, observe the experts at Mercury outboards. When properly prepared they become a gourmet's delight, as is the case with most anything that swims, flies or runs.

The list of common "trash" fish is long. It includes such species as suckers, carp, drum, chubs, mooneyes, redhorse and buffalo.

Many of these are caught commercially, but find their way into the fish markets under assumed (and more palatable) names.

The "white perch" you buy may be drum; "boneless cat" is often the odd-looking paddlefish or spoonbill. Non-sport fish in saltwater receive an even more impressive array of monikers.

To popularize and make use of the tremendous number of rough fish that abound in our waters is a massive undertaking, acknowledge the Mercury lads. First, we must overcome our reluctance to actually bring a mess of "yaller" suckers or "thunderpumpers" home. Then we must know how to turn them into dishes that delight the whole family.

The latter task must be approached with all the dash and daring of a continental chef, for the old "roll 'em in crumbs and fry" methods usually won't do. Contact the state wildlife commission or university extension division for special recipes for marinating, for creoles, for a hundred different approaches.

If every fisherman could be so persuaded, millions of tons of rough fish could be removed from waters where they compete with sport species. Fishing would improve, and the eatin'... well, find out for yourself.

Summer Study In A Castle

London

This summer Britons have a choice of unusual locations for pursuing adult education courses. Many of the stately homes offer two-week, one-week and even week-end courses to entice culture-hungry Englishmen to use their facilities and help pay the enormous cost of capital upkeep.

Lambton Castle, set amid beautiful woodland in County Durham, for example, will be offering such courses as "decorating ceramics," and "the stream of consciousness novel."

KING SERVING ON USS BOSTON

(MO150) USS BOSTON (CAG-1) at sea (FHTNC)—Seaman Louis W. King, USN, son of Mr. and Mrs. Julian J. Smolen of 151 King St., Holyoke, Mass., and husband of the former Miss Faith A. Wheeler of 467 Meadow St., Agawam, is serving aboard the heavy cruiser USS Boston off the coast of North Vietnam.

As a crewmember of the Seventh Fleet cruiser he helps to reduce the flow of enemy supplies being transported by motor barges through the intricate system of inland and coastal waterways on the coast of North Vietnam.

The crew recently manned their battle stations in order to shell a section of North Vietnam's vital highway No. One in Tinh Ha Tinh Province, about one mile south of the 18th parallel. The highway is used as a support artery from Hanoi to the DMZ.

While the Boston was moving closer to the shore, the USS

Maddox provided suppression fire against enemy artillery positions.

MILICI COMMISSIONED ARMY 2nd LIEUT.

FT. BENNING, Ga. (AHT-NC) — Reynard F. Milici, son of Dr. and Mrs. R. Francis Milici, 21 Virginia St., Agawam, was commissioned an Army second lieutenant after graduating from the Infantry Officer Candidate School, Ft. Benning, Ga., July 29.

During the 25-week course, he was trained in leadership, tactics of small infantry units and use of infantry weapons. He also received instruction in map and aerial photograph reading, guerrilla warfare and counterinsurgency operations.

Lt. Milici entered the Army in Sept. '67 and was last assigned at Ft. Dix, N. J.

A '61 graduate of Agawam High School, he received his B.F.A. degree in '67 from the University of Hartford, Hartford Art School, West Hartford, Conn.

DON'T BRING THEM UP TO LET THEM BE RUN DOWN! 'SCHOOL'S OPEN DRIVE CAREFULLY' CAMPAIGN

CHILD TRAFFIC SAFETY WEEK — SEPT. 1-7

The week of September 1-7 has been designated as Child Traffic Safety Week to coincide with the opening of schools throughout Western Massachusetts. The annual child safety program is being sponsored by area police departments and the Safety Council of Western Massachusetts.

The program, which was developed by the Police Safety Officers and the Safety Council, is intended to alert motorists, parents and children to exercise extra care not only when schools reopen, but for every day of the year thereafter.

Communities are already stenciling STOP—LOOK—WALK markers on sidewalks surrounding schools. The application of these sidewalk stencils is being supervised by local police departments with the cooperation of their respective streets and highway departments.

Past accident histories indicate that many child-pedestrian accidents occur as the result of a child darting into the street and into the path or

side of a moving vehicle. Agawam's Safety Officer Harold Burnett said that constant safety education by the schools, parents and safety officers could eliminate this type of accident. "We will emphasize this strongly during Child Traffic Safety Week and will continue our efforts in this direction continually throughout the next year," Burnett said.

Colorful posters, specially designed for the program, are being distributed throughout Western Massachusetts by police departments and the Safety Council. They carry the theme — SCHOOL IS OPEN — DRIVE WITH EXTRA CARE. Anyone interested in obtaining a poster can do so by contacting either their police safety officer or the Safety Council officer.

If every motorist can be careful now and avoid accidents to our children during Child Traffic Safety Week, we should be able to continue to do so indefinitely.

CHECK YOURSELF ON THESE SAFE DRIVING TIPS...

- BE ESPECIALLY CAREFUL NEAR SCHOOLS
- THINK ONE STEP AHEAD OF EVERY PEDESTRIAN
- KNOW ALL TRAFFIC RULES . . . OBSERVE THEM AS LIFE OR DEATH REGULATIONS
- REGARD ALL TRAFFIC SIGNALS, SIGNS AND MARKERS AS LIFESAVERS
- HAVE YOUR CAR SAFETY CHECKED OFTEN — FAULTY EQUIPMENT CAN COST LIVES

Caution—School's Open—Drive With Care

V.F.W. Post 1632 and Auxiliary Bulletin

By ANNA D. BISSONNETTE

POST HOME LITTLE BITS
Pat Hamilton is back at the old stand looking fit as a fiddle after his vacation—first vacation in four years from our V.F.W.

Commander-Bar manager Harpin says that business is going very well and wishes to thank all who help to make it so.

Don't forget that starting tomorrow night, Sept. 6, at 7 p.m. the Ladies Auxiliary will be serving clams. Proceeds will enable them to continue with their many programs.

In the "Rice for Life" program a total of \$9,254.71 has been contributed as the Auxiliary closed its 1967-68 fiscal year. The donations provided more than 127,000 pounds of rice for the Green Berets to distribute to South Vietnamese refugees. "Rice for Life" was instigated by Special Forces units in Vietnam. They asked "Care" to provide rice to feed the refugees living in settlements around 33 camps. The rice was needed for 2 to 6 months — until the refugees could plant and harvest their own crops. Each of the 33 camps was built and fortified by 12 Green Berets and 400 South Vietnamese soldiers. Each camp drew from 600 to 1,200 refugees from surrounding communities. They built their own homes, schools and other facilities and then planted their rice. We're happy to say that \$380 came from the Auxiliaries in Mass.

Auxiliary membership passed the 400,000 mark on June 30, setting an all time high as the national organization closed its 1967-68 fiscal year. Let's keep up the good work — send in your dues NOW.

The Fall conference of department presidents, national officers, national district council members and national directors will be held Sept. 11-13 at the Bellerive Hotel in Kansas City.

TRAINING COURSE FOR HOSPITAL VOLUNTEERS

The Fall Orientation and Indoctrination Course has tentatively been scheduled for Oct. 30. This date will be presented to the VAVS Advisory Committee on Sept. 17 for confirmation. Come on girls take the course and become a hospital volunteer.

SEPTEMBER DATES

Friday, Sept. 6—Bingo Party, American Legion Auxiliary District 2; Sunday, Sept. 8—Visitation, V.F.W. Dept. of Conn.; Monday, Sept. 9—Variety Show,

Mass. Elks Association; Monday, Sept. 16, Bingo, Jewish War Veterans and Auxiliary; Thursday, Sept. 26, Carnival, V.F.W. Western County Council.

Remember ward parties are resuming after the summer. Please make your dates early. Thanks to all who participated in the summer picnics, which the patients enjoyed so much.

CHRISTMAS GIFT PROGRAM

Plans for the Personalized Christmas Gift Program are underway. Your generous support makes the Holiday Season more meaningful for the veteran not home on Christmas Day. Posts, Auxiliaries, Units and individuals should make their donations early in order to expedite plans. Remember the date — The first VAVS meeting for the 1968-69 season is Sept. 17. Please attend. Let us make the coming year a success for all. See YOU on Sept. 17, STAFF ROOM, 8-9 p.m.

sioned in 1952.

On her maiden voyage from New York across the Atlantic, an average speed of 35.9 knots was attained, cutting the previous record by half a day.

The vessel propulsion system is the result of the vast engineering advances made during World War II and the years immediately following.

The Queen Elizabeth II, the new Cunarder, will have a service speed of 28½ knots.
